Prexie Town

W.H.S. Student Store

In January, 1973 the Superintendent and Washington School Board approved Project Prexie Town, presented to them by Mr. Roy Seibert, principal. Students enrolled in the Work Experience Program were given the responsibility of remodeling the building located at the corner of Allison and Hall Avenues. Work began in February of 1973 and included roofing, wiring, plumbing, carpentry, painting, decorating and installing a furnace. The remodeling was completed in September and the student store opened on October 1.

Work Experience students are also completely in charge of the management of the store which offers to students a wide variety of merchandise. Student response has been excellent and the profit gained will be added to the Student Activities Fund.

America Beautiful

Is Picking Up

Glass containers are designed for your convenience, not your inconvenience. If given a chance, they can be recycled back to their original state — sand. Sand fine enough for a child to play with. Sand to make mortar and cement blocks with. Or used to pave roads. Or to make glass containers that can be recycled to make sand again. It's a never ending process that can work with the cooperation of all of us.

Dedication . . .

Time
Ticking away the moments that make up a dull day
You fritter and waste the hours in an offhand way
Kicking around on a piece of ground in your home town
Waiting for someone or something to show you the way

Tired of lying in the sunshine staying home to watch the rain
You are young and life is long and there is time to kill today
And then one day you find ten years have got behind you
No one told you when to run, you missed the starting gun

And you run and you run to catch up with the sun, but it's sinking
And racing around to come up behind you again
The sun is the same in the relative way, but you're older
And shorter of breath and one day closer to death

Every year is getting shorter, never seem to find the time
Plans that either come to naught or half a page of scribbled lines
Hanging on in quiet desperation is the English way
The time is gone the song is over, thought I'd something more to say*

— Pink Floyd

All that you touch
All that you see
All that you taste
All you feel
All that you Love
All that you hate
All you distrust
All that you save
All that you give
All that you deal
All that you buy
beg, borrow, or steal
All you create
All you destroy
All that you do
All that you say
All that you eat
everyone you meet
All that you slight
everyone you fight
All that is now
All that's to come
